

WESLEY CHAPEL

THE CONGREGATION OF WESLEY BIBLICAL SEMINARY

Info-serve for Wesley Chapel Community

February 2, 2010

Remarks from Ron

Dear Brothers and Sisters,

Hello from Ohio! I am travelling for the seminary this week, so I appreciate your prayers. Tomorrow I speak at Ohio Christian University and will try to recruit some students for the seminary.

Wednesday is your special night to "stump the preachers"! Come and bring your questions on the Bible for a general Q and A session where you set the agenda. Marty will moderate and Ray and a guest faculty member will try and field the questions. I left town until your questions are all answered! :))

Remember the 13th is the Men's breakfast and the 14th is a Sunday night pot luck dinner at the Boyle's house. Be prepared for some serious fun and fellowship that evening!

Special thanks to the many Wesley Chapel folks helping with the seminary banquet on March 4th.

Also pray for our seminary residency program the first two weeks of March.

Our special prayers go out to Bethany Ward and Brad Easley as they struggle with pneumonia.

Sunday is a special time around the sacrament of Holy Communion. I look forward to serving you!

See you there!

Ron

Wesley Chapel's Ride for Orphans - A benefit for our Student Ministry Guatemala Mission Team

March 6, 2010 at 8:00 am, the Wesley Chapel Youth are sponsoring a bike ride and we need your help. We need people to ride, people to help serve, people to help promote, and people to come and share about what Jesus is doing through Wesley Chapel. There are numerous ways to help, but most importantly we need you to get this event on your calendar so you can be there to help us get to Guatemala to serve the children of LaSenda orphanage and school.

An Act of Worship

Have you ever thought of placing flowers in the sanctuary as an act of worship? It is! Worship, by definition, is *reverent honor and homage paid to God*. Placing an arrangement of his own beautiful handiwork in His sanctuary is a truly special way to honor Him. For information about how to place flowers in honor or memory of someone or some occasion, or to calendar your date to place flowers, please phone our Altar Guild chairperson, Susie Brabec, at 601.366.2735 or email sbrabec@comcast.net.
